TasteTester (app)

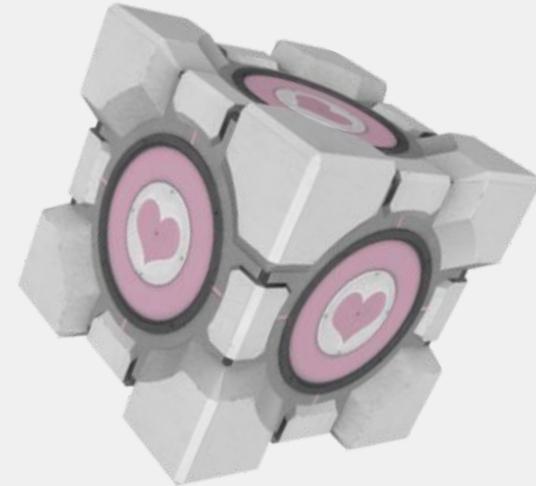

Solving A Problem

Menus are hard to read, and diners get stuck in routines.

TasteTester's Solution

A fun, interactive app that incentivizes you
to try new dishes!

How Do We do This?

Readable Menu

Scanned/Imported menus get made clean and easy to read

Spin The Wheel!

Spin for a meal that matches your preferences.

Rate / Review

Rate dishes, add notes, and share them with friends

Project Scope & Tools

This initial design will be three (mobile) frames created in figma.

Frame #1 The Menu

High Fidelity Prototype of a readable menu

Frame #2 Spin The Wheel

High Fidelity Prototype of the random dish selection.

Frame #3 Review
